Managed Care Pharmacy Residencies, Fellowships, and Other Programs

The following is a partial list of available managed care pharmacy residency and fellowship programs and other programs compiled as of August 2005. The residencies listed were submitted by AMCP members in response to AMCP’s call for residency program listings. This is not a comprehensive list of all available programs. AMCP provides it solely as a service to its readers. This list does not imply AMCP’s endorsement of any particular program nor does AMCP guarantee the availability of any of the programs listed. AMCP does not assume responsibility for any errors that may appear in these listings. If you are aware of additional residency and fellowship programs not listed here, please contact AMCP at (800) TAP-AMCP.

**AON CONSULTING**

**Pharmacy Benefits Consulting**
Accredited: No
Length of Program: 12 months
Number of Positions: 2
Affiliation: None
Application Deadline: January 3
Starting Date: July 5
Estimated Stipend: $36,000
Onsite Interview: Yes
Educational/Special Requirements: PharmD, managed care course work preferred
Fringe Benefits: 2 weeks paid vacation, paid holidays, medical/dental insurance, travel budget, professional meetings
Special Features: Aon Consulting is the second largest employee benefits consulting firm nationwide. This unique program provides residents with the opportunity to help
employers and health plans better manage and control the prescription drug benefit for their employees or members. Residents will be exposed to all aspects of pharmacy benefit management consulting: plan design modeling, formulary analysis, clinical programming, disease management, audits, regulatory, trends and forecasting through proprietary actuarially based models. Residents will interact with benefit administrators, major PBMs, PPOs, HMOs, and disease management firms nationally. Currently, there are 2 resident positions available, based in Chicago, IL, and Philadelphia, PA.

■ BLUE SHIELD OF CALIFORNIA

Managed Care Pharmacy Systems
Accredited: AMCP/ASHP
Length of Program: 12 months
Number of Positions: 1
Affiliation: UCSF
Application Deadline: February 25
Starting Date: July 1
Estimated Stipend: $46,000
Onsite Interview: Yes

Educational/Special Requirements: PharmD degree from an accredited school of pharmacy; completion of a pharmacy practice residency or equivalent experience, 3 letters of recommendation, letter of intent, and onsite interview

Fringe Benefits: Health/dental/vision benefit; 20 days of paid time off, including professional leave (with travel allowances); and 9 holidays; no on-call responsibilities

Special Features: This residency instills the philosophy that health care outcomes need to be considered from all relevant perspectives (patient, provider, and payer). Residents participate in the development of drug policy, clinical guidelines, pharmacy benefits, and population-based disease management, pharmaceutical contracting support/analysis, and quality improvement. This program teaches residents to conceptualize, integrate, and transform accumulated experiences and knowledge into improved drug therapy for managed care patients.

CAREMARK, INC.

Managed Care Specialty-Analytics and Outcomes
Accredited: No
Length of Program: 12 months
Number of Positions: 2
Affiliation: University of Illinois at Chicago; Midwestern University-Chicago College of Pharmacy
Application Deadline: January 3
Starting Date: July 1
Estimated Stipend: $38,000
Onsite Interview: Yes
Educational/Special Requirements: PharmD with experiential or internship-based experience in managed care/PBM industry
Fringe Benefits: Comprehensive medical, dental, and life insurance plan; 2-week paid vacation; holidays; employee stock purchase program; flexible spending program; travel budget
Special Features: Caremark is a leading pharmaceutical services company, providing comprehensive drug benefit services to approximately 24 million participants throughout the United States. Caremark's clients include corporate health plans, managed care organizations, insurance companies, unions, government agencies, and other funded benefit plans. The Analytics and Outcomes Residency will provide the resident a unique opportunity to work on initiatives that foster pro-active management of pharmaceutical and overall health care costs. It offers the ability to work with large data sets and perform various pharmaceutical cost analyses such as plan design modeling, formulary analysis, and clinical outcomes. As part of a core sales and account management team, the resident will have the opportunity to interact directly with clients, consultants, and various other benefit providers. While the focus is on analytics, the resident will be exposed to various areas in pharmacy benefit management such as clinical program development and implementation, operations, sales, account management, clinical sales support, marketing and communications, trade relations, pharmaceutical services, and therapeutic services.

OUTCOMES PHARMACEUTICAL HEALTH CARE

Medication Therapy Management Firm

Accredited: ASHP/AMCP
Length of Program: 1 year
Number of Positions: 1
Affiliation: University of Iowa
Application Deadline: December 31
Starting Date: July 5
Estimated Stipend: $33,000
Onsite Interview: Yes

Educational/Special Requirements: Candidates for residency must possess a doctor of pharmacy degree from a school of pharmacy accredited by the American Council on Pharmaceutical Education (ACPE) and be eligible for licensure in Iowa.

Fringe Benefits: For additional information, contact the Outcomes office at (515) 237-0001 or info@getoutcomes.com.

Special Features: Outcomes’ clinical services residency is a 12-month managed care systems residency program. This residency offers a unique learning experience on how pharmacists can impact the quality and rising cost of health care by providing patient-oriented, care-based services. Residency activities include account management, marketing and communications, pharmacoeconomic data collection and analysis, claims assessment, development and implementation of disease management...
programs, development and administration of research projects, and training of pharmacists and support staff. The resident also serves as a preceptor to PharmD clerkship students.

**Educational/Special Requirements:** Applicants must have completed a doctor of pharmacy degree and be eligible for Pennsylvania licensure. A pharmacy practice residency is recommended but not required for consideration. Please include letter of intent, curriculum vitae, list of references (3) with contact information, and 3 letters of recommendation.

**Fringe Benefits:** Health, dental, eye care, life, and disability insurance is available; vacation time is allotted and professional travel and stipend is available.

**Special Features:** UPMC Health Plan is the second largest health insurer in western Pennsylvania, covering commercial, medical assistance, and Medicare populations; it has integrated resources from Community Care Behavioral Health, University of Pittsburgh School of Pharmacy, and the UPMC Health System.

**VA SAN DIEGO HEALTHCARE SYSTEM**

**Managed Care Pharmacy Systems**

Accredited: Application submitted  
Length of Program: 12 months  
Number of Positions: 1  
Affiliation: University of the Pacific School of Pharmacy  

Application Deadline: January 15  
Starting Date: July 1  
Estimated Stipend: $38,000  
Onsite Interview: Yes  

**Educational/Special Requirements:** PharmD plus first-year residency or equivalent experience, U.S. citizenship, personal statement, curriculum vitae, transcripts, and 3 letters of recommendation.

**Fringe Benefits:** 12-13 vacation and sick leave days, 11 federal holidays, health and life insurance, free parking, paid leave, tuition and travel to required events, office with up-to-date computer systems

**Special Features:** This second-year residency will provide the skills necessary for the practical application of pharmacoeconomic principles to formulary management and outcomes research in integrated health care systems. Education will include formal pharmacoeconomics training classes and hands-on application of principles. Work activities will encompass the VASDHS, Veterans Integrated Service Network 22 (VISN 22) pharmacy benefits management (i.e. Southern California Regional VA), and VA national formulary tasks. Out-of-state and in-state travel is required. A university-affiliated, teaching, integrated healthcare system with 100% computerized medical records, cutting-edge patient safety, pharmacy-managed clinics, pharmacist specialty practices, and a dedicated Pharmacy Health Outcomes Division with 4 full-time pharmacoeconomists.

The pharmacy service has outstanding leadership with a long positive track record for innovation and excellence at the local, state, and national levels and a well-trained, well-published staff, most with residencies. This is an exciting opportunity to learn, and to start your career.

**WALGREENS HEALTH INITIATIVES**

**Pharmacy Benefit Manager**

Accredited: AMCP/ASHP  
Length of Program: 12 months  
Number of Positions: 2  
Affiliation: University of Illinois, Midwestern University–Chicago College of Pharmacy  
Application Deadline: January 7  
Starting Date: July 5  
Estimated Stipend: $36,000  
Onsite Interview: Yes

**Educational/Special Requirements:** PharmD  
**Fringe Benefits:** Medical plan, 2-week vacation, holidays, travel expense budget  
**Special Features:** This managed care pharmacy residency program is designed to allow the residents to work within the various departments of a pharmacy benefits management firm, including, but not limited to, care management, drug use policy, PBM operations, clinical sales, and specialty pharmacy. The residents will gain practical experience and develop skills related to disease management, health outcomes, medication management strategies, formulary management, drug utilization review, drug information, and other clinical services. Additionally, residents will have the opportunity to gain exposure to the pharmaceutical industry, be involved in professional organizations, and precept pharmacy students.

**WELLPOINT PHARMACY MANAGEMENT**

**Managed Care Pharmacy**

Accredited: ASHP/AMCP  
Length of Program: 12 months  
Number of Positions: 1  
Affiliation: Blue Cross of California, PrecisionRx, University of Southern California  
Application Deadline: January 15  
Starting Date: July 1  
Estimated Stipend: $50,000  
Onsite Interview: Yes

**Educational/Special Requirements:** PharmD from an ACPE-accredited college of pharmacy or equivalent experience, eligibility for California licensure, good academic standing, excellent written and verbal communication skills  
**Fringe Benefits:** Health insurance; 2 weeks paid vacation; paid holiday and sick days; attendance at the Western States Conference, at a national pharmacy organization meeting, and at a WellPoint Pharmacy Management National P&T meeting  
**Special Features:** The program is designed to provide the resident with an overall managed care experience. The resident rotates through several areas within the PBM, including drug information, therapy management, clinical account management, clinical product development, clinical intervention and prior authorization centers, mail-order and specialty pharmacy, health informatics and policy research, and pharmaceutical contracting and industry relations. The program also includes rotations at the Blue Cross of California health plan and the University of Southern California direct-patient-care sites.
